SCHOOL OVERVIEW INFORMATION

CONTEXTUAL INFORMATION ABOUT THE SCHOOL

DESCRIPTION OF SCHOOL CONTEXT

Situated on 9 acres of land in a rural environment, Casino Christian School is a K-10 school that commenced as a K-6 Primary School in 1995, and extended to Year 7 in 2000. The school is a registered and accredited co-educational K-10 school. The first Year 10 cohort graduated in 2003.

Casino Christian School is a ministry of the Casino Presbyterian Church to the wider Christian community in Casino and district. It is a member of Christian Schools Australia (CSA).

The last school inspection by a Christian Schools Australia panel (for the NSW Board of Studies) occurred in August 2012. At this time the school was recommended for ongoing registration and accreditation with the NSW Board of Studies for a further five years until 2017 inclusive.

In addition to the general education programs the school provides further enrichment through interschool sports, camps, intensive swimming programs, and special needs programs. The lower Primary classes engage in a wonderful ministry to the senior citizens in a local nursing home.

The school's motto "**GROW IN GRACE AND KNOWLEDGE**" underpins the desired ethos of the school whereby students are encouraged to live an authentic Christian lifestyle.

The school's mission statement further encapsulates this:

The aim of the school is to see parents, church and school working together to bring children to maturity in Christ, and then reach out to the world with His love through service and the 'Good News' of salvation.

MESSAGES FROM KEY PEOPLE AND BODIES

PRINCIPAL'S REPORT ON 2012

This year the school has continued to improve in many areas:

- It has been pleasing to see general improvement in student learning and progress. The school continues to achieve good educational results. Our students are always encouraged to do their best.
- This was an important year, as the school was visited by the CSA Registration team, and as a result was offered another five years of registration and accreditation.
- In September, our first mission team overseas visited Rehoboth Orphanage in the Philippines. Nine students and two staff joined with a team from the Presbyterian Church to serve the Lord for 10 days in ministry and witness to Filipinos that they met and worked with. This was a life-changing event for the team members.
- The school added two new Executive staff – Mr. Graeme Jolliffe was appointed as Administration Co-ordinator, and Mrs. Kathy Bate was appointed as Special Needs Co-ordinator. These appointments have greatly assisted the school to be better organised.
- The student population at August Census was 188 (down by 6% from 2011). The Primary School had 120 students at Census time.
- Work began in Term 3 on the new toilets/ showers, and Woodwork and Automotive Rooms, which have added immensely to school facilities for 2013 and beyond.
- A courageous and necessary decision was made to apply for registration and accreditation for Senior Schooling (Years 11 & 12) from 2014.

The school continues to function effectively as a truly Christian school, where students and staff are continually challenged to apply the Gospel of Jesus to education in a real and authentic manner.

The Australian flag is raised and lowered daily, the National Anthem is sung at assemblies, National Days are celebrated (ANZAC and Remembrance Days), students participate in ANZAC march and wreath-laying, and in ANZAC and Remembrance Day ceremonies in the town, teachers and visiting speakers address topics such as citizenship and the 9 Values for Australian schools. Students support a Third World sponsor child. The lower Primary classes visit and interact with senior citizens in a Nursing Home. Students receive leadership training through participation in school assemblies and civic functions. The Philippines mission trip achieved a huge amount in these areas.

PROFESSIONAL DEVELOPMENT

Casino Christian School is registered as a Teacher Accreditation Authority (TAA) under the NSW Teachers’ Institute. The Principal is the TAA in the school.

The NSW Teachers Institute instructions are adhered to in terms of the registration and mentoring of New Scheme teachers. There are six New Scheme teachers on staff and two were provisionally accredited in 2012.

CCS is committed to ongoing professional development of all staff through participation at in-school courses, regular staff meetings, external courses and conferences. For other professional development, staff were either released to attend specific training seminars during school hours or have attended workshops led by visiting presenters or our own staff.

Two Staff Professional Development Weeks were held during the year. During the pre-Term 1 PD week, the staff prepared for the school year. During the pre-Term 3 PD week, a two-day professional development conference for North Coast Christian teachers hosted by Coffs Harbour Christian Community school (Curriculum Connections II) was attended by the Casino Christian School teaching staff.

Overall expenditure on Professional Development in 2012 was \$17 742, and amounted to 82 days of training.

TEACHING STANDARDS

All teaching staff are committed Christians and subscribe to the school's Statement of Faith.

All but one of the teaching staff has teaching qualifications from a higher education institution in Australia. This one has qualifications gained in England, which meet Australian standards. Therefore, all our teachers are "Category (i)", that is, having teaching qualifications from a higher education institution within Australia, or recognized within the National Office of Overseas Skills recognition (AEI-NOOSR) guidelines. This is a requirement, as it is a part of the school's Staffing Policy.

The standard of teaching at the school is high, as evidenced by the maintenance and/or improvement in student achievement.

Teachers recorded a total of 52 days absent in 2012. This was an average of 2.17% days absent per full-time teacher equivalent, or 97.83% attendance.

Excerpts from the school's BULLYING PREVENTION POLICY

The school has a zero tolerance to bullying. The school values and ethos are intended to promote God-honouring and positive relationships.

In 1 Peter 5 we read that we are to be shepherds of God's flock that are under our care. The Bible also reminds us of Christ's words: "A new commandment I give you: love one another. As I have loved you, so you must love one another." (John 13:34) It is therefore essential that we do everything to ensure that Casino Christian School is safe both physically and emotionally for all students.

WHAT IS BULLYING?

School definition

School bullying involves the psychological, emotional, social or physical harassment of one student by another. (Bullying not carried out at school can still be classified as “school bullying”, eg. at the bus stop or on the bus, or cyber bullying).

The Casino Christian School Policy is consistent with the NATIONAL SAFE SCHOOLS FRAMEWORK which is based on the following vision:

“All Australian Schools are Safe and Supportive Environments.” It is an agreed national approach to address the issues of bullying, harassment and violence, and child abuse and neglect.

Guiding Principles for the Provision of a Safe and Supportive School Environment in Australian Schools:

1. Affirm the right of all school community members to feel safe at school.
2. Promote care, respect and cooperation, and value diversity.
3. Implement policies, programs and processes to nurture a safe and supportive school environment, eg. lessons on this in PDHPE classes.
4. Recognise that quality leadership is an essential element that underpins the creation of a safe and supportive school environment.
5. Develop and implement policies and programs through processes that engage the whole school community.
6. Ensure that roles and responsibilities of all members of the school community in promoting a safe and supportive environment are explicit, clearly understood and disseminated.
7. Recognise the critical importance of pre-service and ongoing professional development in creating a safe and supportive school environment.
8. Have a responsibility to provide opportunities for students to learn through the formal curriculum the knowledge, skills and dispositions needed for positive relationships.
9. Focus on policies that are oriented towards prevention and intervention.
10. Regularly monitor and evaluate their policies and programs so that evidence-based practice supports decisions and improvements.
11. Take action to protect children from all forms of abuse and neglect.

EDUCATION

Prevention through education is the most effective way of dealing with bullying. At Casino Christian School, the education aims to develop the following understandings:

1. The Bible teaches us to treat each other with love, respect, and in a way that we would like to be treated, ie. to promote a positive feeling of well-being, and to develop empathy towards others, eg. “How would you feel if...?”
2. The most important thing we as a staff at Casino Christian School must do is make every child aware that this behaviour (bullying) **is not acceptable, and will not be tolerated**, and to ensure that if it does occur they will be followed up. Every child has the right to feel safe.
3. Students must learn that nothing is so bad that you can’t talk about it, ie. it’s OK to tell others about what you saw, how you were treated, etc.
4. A school **definition** is needed that the staff, students and parents are familiar with and can understand. (Rigby, 1995, p.2; Harrison, 1993).
5. The **education process** aims to mobilise support from the majority. This can be done through regular sharing in class, class work, assembly, and Bible studies.

An action plan is used to achieve this education.

The full policy can be viewed on the school website at www.ccs.nsw.edu.au

A summary of the school's DISCIPLINE POLICY

The School aims for high standards of discipline and behaviour. Parents are asked to be supportive of these standards. The revised Discipline Policy includes Philosophical Foundations, Procedural Guidelines and a Student Code of Conduct.

The School's Discipline Policy is based largely on principles inherent in Ephesians 6:1-4. It assumes that although every individual is created in the image of God and is therefore unique and important, man's fallen nature requires that his conduct be restrained by rules and imposed authority - with a view to leading him to submissiveness and obedience in Christ, a life lived by the Spirit.

In Hebrews 12:10 we are told: Our fathers disciplined us for a little while as they thought best; but God disciplines us for our good, that we may share in his holiness. "Discipline, therefore must always be for the good of the child - administered out of our loving concern for the child.

Effective discipline:

- is an essential part of sound Christian Education
- is based on love and concern for each child's well-being and personal development.
- needs to be fair, consistent and positive.
- is used to build up the child, assisting in the development of self-control and self-discipline.

Without discipline, learning and development are restricted. Effective discipline within the school means that learning can take place without frequent negative interruptions.

Sound discipline involves training as well as correction. Correction alone without thorough instruction is not effective discipline.

Through consistent discipline, involving both correction and training, the School aims to promote self-discipline by assisting students to be thorough, consistent, appreciative, responsive and thoughtful and to take pride in all that they do so that it is pleasing to the Lord.

Students are helped to make their own decisions and to come to their own conclusions within biblical principles and to accept consequences of their own choices. Character training through rules, principles and the formation of good habits is an important part of the school program.

Our approach to discipline involves:

- Accepting and valuing the child as they are, not for what they do.
- Emphasising correct behaviour rather than focusing on errors constantly.
- Chastising wrongdoing. This does not cause students to devalue themselves if they are sure that the other person values them.
- Helping children to choose achievable goals.

Correction and training are to be expressed through mutual acceptance, encouragement and cooperation. The aim is to develop a truly Christian School Community.

Corporal punishment disclaimer: In accordance with the provisions of the **Education Reform**

Amendment (School Discipline) Act 1995, corporal punishment is **NOT** to be used in this school as part of its discipline and/or Pastoral Care Policy; nor does the school explicitly or implicitly sanction the administering of corporal punishment by any person, including parents, to enforce discipline at school.

The full policy can be viewed on the school website at www.ccs.nsw.edu.au

A summary of the school's GRIEVANCE RESOLUTION POLICY

There will be occasions when parents may have concerns about aspects of their child's schooling. Hopefully all concerns will be addressed within the ethos of Christian love and care. The procedure to follow is:

- for class related matters arrange to talk with the class teacher;
- for more major issues the parent may need to speak with the Principal;
- for unresolved matters that follow from there, the parent may decide to speak with a Parent Representative on the School Board, or the Chairman of the School Board;

All matters need to be dealt with respectfully and confidentially.

The full policy can be viewed on the school website at www.ccs.nsw.edu.au

STUDENT OUTCOMES AND PERFORMANCE

Although the school can only publish NAPLAN results, there are many other areas where our students achieve excellent results. These are not as easy to quantify and measure, and therefore very difficult to report on accurately.

NAPLAN only reports on a small part of student achievement.

School Enrolment Policy (includes Confession of Faith)

CASINO CHRISTIAN SCHOOL

ENROLMENT POLICY

Rationale:

As a Christian Community School, our school aims to reflect and teach Christian Community values. Education is centred on Christ - the author and sustainer of creation. The apostle Paul writes to the Colossians;

"My purpose is that they may have the full riches of complete understanding, in order that they may know the mystery of God, namely, Christ, in whom are hidden all the treasures of wisdom and knowledge. I tell you this so that no one may deceive you by fine - sounding arguments." Colossians 2:2-4.

Our school believes that the most effective out working of this Christ - centred education occurs when there is a strong commitment to Christian home, church and Christian School working together to "train up a child in the way he should go." Proverbs 22:6.

Policy:

Casino Christian School welcomes applications for enrolment of students whose parents/guardians are seeking an education for their child/ren within a Christian community context, with the following provisos:

1. Because of the above philosophy of the school, it is desirable that for each student, at least one parent be consistently supportive of the Christian perspective as embraced by the school. We stress the need for children to be receiving regular scriptural instruction through the youth activities and worship services of the family's church fellowship, and furthermore, strongly encourage the family to be involved in a Christian fellowship as a family unit.

NOTE: Children from families without Christian parents may also be accepted for enrolment at the discretion of the Principal where the Principal is able to see that the parents have a great desire for Christian education for their children.

2. In all cases, the consent of both parents for the enrolment should be sought if at all possible. In situations where a parent has sole custody, enrolments may be accepted on that parent's wishes alone.
3. The enrolment at the school of all children in a family will be mandatory, unless otherwise agreed because of special circumstances.
4. The school seeks to provide equal opportunity for all applicants from families seeking a Christian education regardless of denominational affiliation providing that, the parents/guardians are in agreement with the school's "Confession of Faith", a copy of which is included in this policy.
5. If a student is absent without explanation for a period of two school weeks, the student's enrolment at the school will be discontinued, and the Home School Liaison Officer for the district will be contacted regarding the student's discontinued enrolment.

NB. This policy information should be read in conjunction with Appendix 1 (Terms and Conditions of Enrolment) and Appendix 2 (The Confession of Faith)

Procedures:

1. All enrolment enquiries should be entered on the Enrolment Enquiry Form by the school receptionist.
2. School information should then be posted to (or picked up by) the enquirer. This will include school information books and enrolment forms.
3. The Principal should phone the enquirer within a week of their enquiry to follow up about their reading of the school information, and to ask and answer questions. This call should also be used to invite the enquirer to have a school tour and/or schedule an enrolment interview.
4. If the school tour and/or enrolment interview occurs, the Principal should explain all relevant information about Christian education and the school, the Terms and Conditions of Enrolment, “The Confession of Faith”, etc. Questions may be asked and answered by parents and children.
5. If enrolment is being applied for, completed and signed Enrolment Forms must be received by the Principal.
6. If and when Enrolment Forms have been received by the Principal, the Principal will make a decision as to whether or not the child (or children) will be accepted into the school, and will inform the parents in writing of his decision, and the date that school attendance is to commence.
7. Once a child has been accepted for enrolment, the School Registrar will inform the parents about uniform, bus travel and other organisational issues as deemed appropriate at the time.
8. The child (or children) will commence school attendance on the agreed date.

APPENDICES

Appendix 1: Terms and Conditions of Enrolment

Enrolment at the school is subject to the following terms and conditions.

1. That the parents will agree to allow the child to share fully in the life and program of the school, including the devotional activities and assembly times.
2. That the parents will support the aims of the school.
3. That the parents undertake to provide the child with all necessary equipment of a personal nature that may be required to enable the child to benefit from the education offered.
4. That the parents undertake to provide the child with the correct uniform approved by the school, and to ensure that the child is always sent to school neatly and modestly dressed in the required uniform.
5. That the parents accept the right of the school to employ such discipline as it deems wise and expedient for the child and agree to uphold in every way possible the school's authority and right to administer appropriate discipline in accordance with the policies of the school.
6. That fees are to be paid as they fall due in the first two weeks of term or according to arrangements made.
7. That any parents intending to terminate enrolment notify the school as soon as they become aware of circumstances. Final notification must be given in writing.
8. That the School may suspend or terminate enrolment at its discretion for failure to comply with these conditions or other serious breaches of the School's rules and regulations.
9. That the parents read the statement of faith and understand that it is the basis of the philosophy of the school and the teaching given in it.
10. That the parents will ensure regular attendance of their child/ren at school, except for illness and other explained absences. (Following an unexplained absence of more than 3 days, the roll teacher of a child will make contact with the child's parents to enquire about the absence).

Appendix 2: The Confession of Faith

We believe in the Divine inspiration, the infallibility and supreme authority of the Old and New Testaments in their entirety and that the Holy Spirit so moved the writers that what they wrote are authoritative statements of truth for all matters of faith and conduct.

We believe there is one God in whom there are three equal Divine Persons, revealed as the Father, the Son and the Holy Spirit, and who of His own sovereign will created the heavens, the earth and all that is contained in the Universe.

We believe the Lord Jesus Christ is the eternally existing, only begotten Son of the Father, conceived by the Holy Spirit and born of the virgin Mary. As God He became flesh and dwelt among us: as man He was God.

We believe all men are in a fallen, sinful and lost condition through the rebellion of Adam and Eve, who were created without sin, and in this state of depravity are helpless to save themselves and are under the condemnation of God to eternal punishment in Hell.

We believe it is the Holy Spirit alone who convicts men of sin; leads them to repentance; creates faith within them and regenerates and fills those who believe on the Lord Jesus Christ as Lord. It is the indwelling Spirit who bestows the Gifts of the Spirit and manifests the Fruit of the Spirit in the believer.

We believe Christ died for our sins, was buried and the third day rose from the dead: that He appeared to men who touched Him and knew His bodily presence and that He ascended to His Father.

We believe the Lord Jesus Christ will return in person with His saints and that the full consummation of the Kingdom of God awaits His return.

We believe those who have been regenerated by the Holy Spirit will receive a resurrection body at the return of Jesus Christ and be forever with the Lord, while those who have not believed will be resurrected to stand at the Judgement Seat of God to receive His judgement and eternal condemnation to Hell.

We believe in the actual existence of Satan who is the father of all evil and opposed to God although ultimately subject to the purposes of God and destined to be confined forever to Hell.

We believe the Church is the Body of Christ composed of all believers in the Lord Jesus Christ, which finds its visible manifestation in the local community of believers and ministers through the co-operative exercise of God-given gifts by the entire membership. Each local community of believers is competent under Christ as Head of the Church to order its life without interference from any authority whether civil or ecclesiastical.
