9 February 2015

Dear Parents,

As you would be aware most sun damage to our skin is done when we are young. Anyone who has experienced any form of skin cancer will know how serious it is and the great impact it can have on lives.

Part of our uniform policy states:
“Students must wear their school hat when outdoors all throughout the year.”

A large number of our secondary students do not have hats. A new order of hats has arrived at the school. From Monday 24th February it will be expected and enforced that all primary and secondary students will wear hats when out in the sun (which is the intent of the policy). Students without hats will be sent from the oval and playground to an undercover area.

Please support our desire to care for your children by purchasing a new school hat if your child hasn’t got one.

Respectfully,

Peter Spence

Principal
